

After-School Clubs for the Autumn term 2026

Dear Parents and Carers,

We are delighted to share details of our extra-curricular clubs for the Autumn Term 2026. We have a wide range of opportunities available and hope that as many children as possible will take part. Most clubs will run for 14 weeks, from the week beginning 7th September 2026 until 14th December 2026. (Dance club starts on 15th September 2026) Bookings for all clubs must be completed by Thursday 3rd September 2026.

If your child is in receipt of Pupil Premium funding and would like to participate in any of the Sports to Inspire clubs, please contact the school office. We actively encourage all Pupil Premium children to take advantage of these opportunities and support is available where needed.

Please note that all clubs, other than Sports to Inspire clubs, are run by external providers and bookings must be made directly through them. To help keep our school-run clubs accessible to as many families as possible, we have set the cost of these clubs at £2 per session, which remains significantly lower than many schools in the local area. We ask that children attend every session of a club they have signed up for unless they are unwell. Consistent attendance helps children get the most from the experience and ensures places are used effectively.

For children attending the KS2 Dance Club on Tuesdays, we are pleased to offer a special after-school provision from the end of the school day until the club starts at 4:05pm for just £2.50 per session. This provides a convenient option for families and ensures children can remain in school before the club begins. We are also excited to announce that children attending Dance Club will have the opportunity to represent Chambersbury School in the Dacorum Dance Competition, organised through the Dacorum School Sports Network (DSSN).

In addition to our clubs, we continue to offer Wraparound Care, which can be booked as and when required.

Please get in touch if you have any questions. We look forward to seeing lots of children enjoying the fantastic opportunities available this term.

Kind regards,

Miss N Cope
