Chambersbury Primary School

Autumn 2

Year 1

English

'Gruffalo Crumble and Other Recipes' and 'Stop! That's Not My Story!'.

- Explore traditional tales, their characters, settings and key features.
- Retell familiar stories through role play, storytelling and story maps.
- Develop vocabulary using adjectives to describe characters and settings.
- Orally rehearse ideas and sentences before writing.
- Write simple sentences using capital letters, full stops and finger spaces.
- Use the conjunction 'and' to join words and ideas.
- Plan and write our own traditional tales, using illustrations and storyboards.
- Create recipes and instructions, using bossy verbs, lists and clear steps.

Maths

Addition and subtraction within 10

- Understand that numbers can be split into parts and wholes.
- Use part-whole models to represent numbers.
- Write simple number sentences to show number relationships.

Shape

- Recognise and name 2-D and 3-D shapes.
- Sort 2-D and 3-D shapes by their properties.
- Create and continue patterns using 2-D and 3-D shapes.

Consolidation

- Consolidate addition and subtraction skills using practical resources and number problems.
- Solve addition and subtraction calculations using different strategies.
- Recognise, name and sort 2-D and 3-D shapes by their properties.

Science

Seasonal Changes

- Explore autumn weather and observe how the seasons change.
- Identify the key features of each season.
- Observe changes in the weather, trees and natural environment.

Naming and Grouping Animals

- Identify and group familiar animals by their characteristics.
- Recognise mammals, birds, reptiles, fish and amphibians.
- Explore animal body parts and how they help animals survive.
- Discover what different animals eat and how their diets vary.

History

How have toys changed over time?

- Explore toys from the past and present.
- Compare old and modern toys.
- Identify materials used to make toys.
- Discover toys parents and grandparents played with.
- Understand how toys have changed over time.

Art

- Explore the colours of the four seasons.
- Learn about primary and secondary colours.
- Experiment with mixing colours to create new shades.
- Develop painting skills using different brushstrokes.
- Create a colourful artwork inspired by the changing seasons.

Music

Let's Start Singing

- Warm up our bodies and voices for singing.
- Sing songs confidently as a group.
- Explore rhythm, beat, pitch and melody.
- Learn songs and express emotions through music.
- Rehearse and perform songs together

PE
