English

In English we will be using *Planetarium* by Raman Prinja, to learn the features of non-chronological reports and produce their own. After this they will use the text *Wisp* by Zana Fraillon and Grahame Baker-Smith to write a narrative focussing on how to open the story as well as using descriptive language features. Spelling this half term will focus on the following: Words with an /oa/ sound spelled 'ou' or 'ow' a 'soft c' spelled 'ce' the /f/ sound spelled 'ph' words ending in 'ably' As well as learning to spell the year 5 and 6 statutory spelling words.

Maths

In Autumn 2, they will be revising work covered in y5 on fractions. They will compare fractions as well as add and subtract them. Following this, they will learn how to multiply and divide fractions. The final unit will be on measurement. In this unit they will converting metric measures then comparing measures for example miles and kilometres.

Science

In science they will be learning about evolution and inheritance. They will learn about fossils and how living things have evolved. Then they will learn about inherited characteristics and adaptations Within this unit they will also learn about the work of Charles Darwin.

History

This half term the children will be completing a unit of work based on World War 2. They will learn about how the war started and how the war and answer the question – How did the war change Britain?

Chambersbury Primary School

Autumn 2

Year 6

DT

This unit will be linked to our history topic on World War 2. The children will be learning to plan, cook and evaluate dishes based on the ingredients available during rationing.

Music

This unit will be focused around two tunes: Bacharach Anorak and Meet The Blues. The children will listen to and appraise the pieces. They will learn to play instruments to the music and then perform to the class.

PE

This half term they will cover hockey and football. They will learn the skills needed to play such as attacking, defending and shooting. They will also develop their teamwork skills.

PSHE

This half term unit is called 'celebrating differences.' Within this unit they will discuss how we are all different and also how to ensure everyone is included in work and play. We will discuss bullying and how to help someone who is being bullied. After this we will explore using kind words and how to give and receive compliments.

RE

In R.E they will be exploring the question- Why is light such an important symbol? They will explore how light is used in the Hindu festival of Diwali.

Computing

In computing they will complete a unit entitled 'communication and collaboration'. In this unit the children explore how data is transferred over the internet. They initially focus on addressing, before they move on to the makeup and structure of data packets. Finally, they learn how to communicate responsibly by considering what should and should not be shared on the internet.

French

In French the children will learning about the seasons and weather through speaking, listening reading singing and writing in French.
